

#### REBUILDING UKRAINE DURING WARTIME

#### Our team

**balbek bureau** is an award-winning interior design and architecture studio founded by Ukrainian architect Slava Balbek. For 13 years, we have been designing commercial, corporate, and residential spaces in Europe, China, and the USA.

#### Number of unique house configurations for the Kyiv region alone

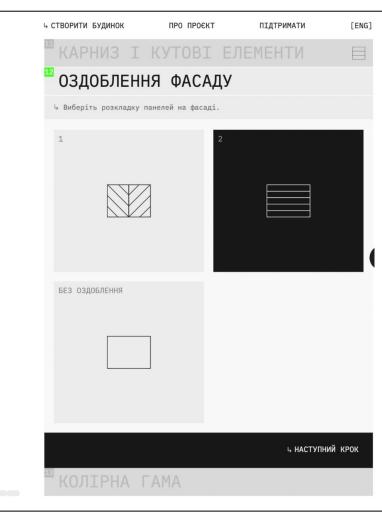

#### Chernihiv region

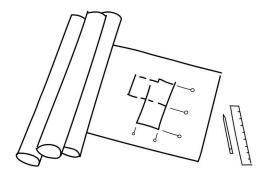

← НАЗАД ДО ВИБОРУ ОБЛАСТІ

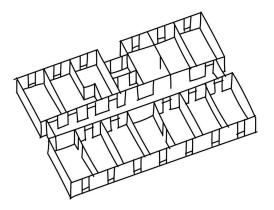

### What can we do while the war still lasts?

- analyze the extent and character of destruction
- develop methodology for the restoration of infrastructure
- create reconstruction and commemoration concepts
- explore new technologies to implement in the future

### How can people from other countries help Ukraine rebuild?

- share their experience and consult local architects and urban planners
- offer Ukrainians study and research opportunities
- provide tech support and supplies
- donate to the reconstruction of damaged infrastructure
